ARE YOU LOOKING FOR GRANT FUNDING TO SUPPORT YOUR
RESEARCH & COMMERCIALIZATION?

SAVE THE DATE

The Ohio State University College of Engineering, Technology Commercialization Office, The Center for Design and Manufacturing Excellence, and Rev1 Ventures have partnered to bring you a complimentary workshop on the Small Business Innovation Research (SBIR) and Small Business Technology Transfer Research (STTR) programs within the National Science Foundation (NSF), Department of Energy (DoE) and Department of Defense (DoD).

WHO SHOULD ATTEND?

Entrepreneurs and Faculty looking for funding to commercialize their research.

WHY SHOULD YOU ATTEND?

- Engaging panel discussion involving Technology Commercialization, NASA, Small Business Entrepreneurs, NSF I-Corps, Rev1 Ventures, OFRN representative
- Meet one-on-one with SBIR/STTR Program Managers
- Learn how to access local and state resources available to innovators, researchers, and technology entrepreneurs
- Small Business Innovation Research/Small Business Technology Transfer program overviews

One-on-One sessions will be offered and will run concurrently with presentations and the panel.

Friday

October 20th, 2017
